**Students who will return this form completed to the Careers Office, will receive an email pertaining the guidelines and the enrolment key in the language of their preference (Greek or English).*

«Students preparing their self- development career plan from the 1st year of their studies, succeed in landing their dream job and receive scholarships for postgraduate studies! Apart from the on-line Careers Office’s Service, it is important to participate in career workshops & events as well to arrange one-to-one appointments with the Careers Office.»

**Athina Skotara | Careers Office | 25, Democritou str, 1st floor, Office No6
(behind main building –Nicosia campus)**
