

Course title:	INTERNSHIP
Course code:	AAVC 250
Type of course:	Required
Level of course:	Bachelor
Year of study:	4th
Semester when the course is delivered:	7 th
Prerequisites:	None
Number of ECTS credits allocated :	6
Name of lecturer(s):	Mr Panayiotis Charalambous
Aims of course:	<p>Students enrolled in this course will be given the opportunity to work in a field assignment in the area of their specialization and will be asked to meet professional standards set down by the organization to which they are assigned. The course also aims to provide students the opportunity to increase references and enhance future employment opportunities and collaborations.</p> <p>The importance of any internship experience is not simply what you are asked to do while at the internship, but what university knowledge and skills you are able to apply in real professional situations.</p> <p>At the end, they must provide evidence of their work as well as an assessment report letter by the organization stating the duties and the progress he/she has obtained. A minimum of one-hundred working hours are required to complete the internship.</p>
Learning outcomes of the course:	<p>Upon completion of the course, students should be able:</p> <ol style="list-style-type: none"> 1. to immerse in the "real world" of audiovisual industry; 2. to develop skills in the application of theory to practical work situations; 3. to develop attitudes conducive to effective interpersonal relationships; 4. to develop employment records/references that will enhance employment opportunities.
Assessment techniques and Assessments criteria:	<p>One-hundred working hours are required to complete the internship. During the course of the internship, students are visited by tutors to monitor their performance and their role in the working environment. Students are expected to undertake and complete tasks assigned as part of their placement. They are required to document and record their daily tasks and what they have learnt in a 'learning-log'.</p> <p>Upon completing their internship, students submit a statement commenting on their experiences and learning outcomes supported by their learning-log.</p> <p>Work placements are evaluated based on:</p> <ul style="list-style-type: none"> • The Internship handbook and learning-log. • Feedback provided by the company / organisation of student performance. • Observations made by the tutor in the field.
Work placement(s):	Yes
