

Nicosia, May 2010

## Withdrawal from Examinations and Non-appearance

Except when prevented by **medical reasons or other sufficient cause**, a candidate who fails to present himself/herself for examination will be deemed to have failed the exam. **Misreading of the examination timetable will not be regarded as 'sufficient cause'**. If, for any reason, a candidate is unable to attend an examination, he/she should report the circumstances in writing, and attach all the necessary documentation if appropriate, to Room 37 in Nicosia and the Studies Office in Limassol **by the 12<sup>th</sup> of June 2010**.

All cases will be examined by a special committee and student will be informed whether their absence is considered justified. If so, the student will be able to resit the missed exams.

For graduate students, the 2<sup>nd</sup> cycle of the exams will take place on Thursday 17/06/10 and on Friday 18/06/10. For all other students, the 2<sup>nd</sup> cycle will take place in September.
