**Nicosia City Bike Tour**
Meeting Point: Frederick University Main Building Entrance.

Note: If the students are required to stay at the University longer than the predefined time schedule, they will be notified in advance.

First Year Student Orientation and Registration Programme for Fall Semester 2016

Frederick organizes the Orientation Programmes, in order to help you familiarize yourself with your Department, as well as with student policies and student services. This will help answer any questions you may have and ensure your successful transition to higher education.

The Orientation Programme will take place on Tuesday, 20th of September and on Wednesday, 21st of September. During Orientation, you will have the opportunity to meet with faculty members of your Department, Academic Advisors and with Student Welfare Service representatives. You will also be informed of other University services such as the Library and Computer and Information Systems.

In addition, on the same day, you will meet with your Academic Advisor in order to register for classes for the Fall semester and reserve your timetable. We remind you that in order to proceed with course registration you need to have settled all financial obligations.

All details regarding the schedule of the First Year Orientation and Registration Programme for Fall Semester 2016 will be posted online (Frederick University www.frederick.ac.cy and Frederick Institute of Technology www.fri.ac.cy) on the 12th of September.

Welcome to Frederick and Good Luck with your Studies!

**Preparatory Classes**

Frederick University and Frederick Institute of Technology offer, from the 23rd of August until the 15th of September, free intensive courses in order to help your transition to higher education be as smooth as possible and successfully begin your studies in your Fall Semester 2016. During the preparatory programme you will have the opportunity to get acquainted with the University/Campus, as well as with faculty members and fellow students.
