

Experiential Learning @ Frederick

Academic Year 2022-2023, *Fall 2022*

Organization Name:	Lakatamia Municipality
Course at Frederick University:	APX321: Introduction to Landscape Architecture
Programme of Study at FU:	BA in Architecture / Diploma Degree of Architect Engineer
Project Title:	LANDSCAPING SUBURBAN OPEN SPACE Leftovers in Archangelos Lakatamia
Project Overview:	Design of a series of unused spaces left after development as contributions toward the green infrastructure of a neighborhood in Archangelos, Lakatamia. Such open spaces, even though the neighborhood has matured, were never designed or integrated into the social life of the area.
Organization Overview:	Lakatamia Municipality is the third largest municipality in terms of population in Nicosia. Lakatamia Municipality is committed to contribute, with respect, efficiency, consistency and professionalism, its services to the citizens, to organize cultural and other events, to plan and complete projects that aim at upgrading the environment, and ensuring the best possible quality of life for its citizens.
