

Experiential Learning @ Frederick

Academic Year 2022-2023, *Fall 2022*

Organization Name:	Lakatamia Municipality
Course at Frederick University:	APX403 Integrated Studio I
Programme of Study at FU:	BA in Architecture / Diploma Degree of Architect Engineer
Project Title:	The building as a social activator
Project Overview:	<p>Designing a centre for continuous education and socialization - Activation of urban spaces</p> <p>The project will be conducted in collaboration with the Municipality of Lakatamia in order to generate ideas and design proposals for a series of locations of mainly open public spaces, within the Municipality's boundaries. The deliverables may be used to mature ideas and ways of managing the space and form the basis for the detailed planning of the landscaping of the spaces and its implementation by Lakatamia Municipality, through funding (national and European programs).</p>
Organization Overview:	<p>Lakatamia Municipality is the third largest municipality in terms of population in Nicosia. Lakatamia Municipality is committed to contribute, with respect, efficiency, consistency and professionalism, its services to the citizens, to organize cultural and other events, to plan and complete projects that aim at upgrading the environment, and ensuring the best possible quality of life for its citizens.</p>
