Description of Activities

Cheers to New Beginnings!

Monday, 7 September 2026

Celebrate the start of the new academic year with the Greek band Melisses at the Septemberfest Nicosia Beer Festival, held at Academias Park, Aglantzia.

🕒 **Meeting Time: 18:00**

📍 **University Entrance, Nicosia campus**

Meet your Neighbourhood

Wednesday, 16 September 2026

Join us for an afternoon walk and discover our neighbourhood and the historic walled city of Nicosia. Explore **local landmarks, hidden gems, and popular urban hangout spots**. End the tour on a refreshing note with complimentary drinks!

(For Nicosia campus students)

🕒 **Meeting Time: 18:30**

📍 **University Entrance, Nicosia campus**

Prepare for your Journey

During the preparatory program the following workshops will be offered in order to help you develop skills and practices to become a successful student.

• **Mission: Joy**

An experiential workshop inviting you to discover how joy, curiosity, and meaningful connections can become your companions throughout your university journey. We learn with curiosity, connect with purpose, and grow with joy.

• **Academic Skills for a Successful University Journey**

The transition from school to university comes with new challenges. Discover practical tips and effective study techniques to help you manage your time, study more efficiently, and successfully meet the demands of university life.

(Bus transportation available for all students)

Preparatory Classes

Frederick University and Frederick Institute of Technology offer, during September, free intensive courses in order to help your transition to higher education be as smooth as possible and successfully begin your studies.

During the preparatory program you will have the opportunity to get acquainted with the University, as well as with faculty members and fellow students.

Placement Tests

The placement test is a way of assessing the approximate level of a student's knowledge of English and Maths so that we are better able to determine your needs and provide you with the skills necessary in order to succeed in your studies.

PLACEMENT TEST	DATE	STUDENT GROUP
Maths	24/09	Group 2
English	25/09	Groups 1 & 2
Chemistry	24/09	Group 4
Biology	25/09	Group 4

The course(s) you will have to attend based on your program of study
