

**SCHOOL OF ENGINEERING
DEPARTMENT OF CIVIL ENGINEERING**

**CALL FOR DOCTORATE APPLICATIONS FOR THE
ACADEMIC YEAR 2023-2024**

The **Department of Civil Engineering** invites applications from prospective students for the academic year 2023-2024 for the **Ph.D. Program of Study**:

The positions are related to such Civil Engineering domains as the following:

- Structural Analysis and Design Engineering
- Engineering Seismology & Earthquake Engineering
- Structural Materials Engineering
- Environmental Engineering and Management
- Geotechnical Engineering
- Water Resources Engineering and Management
- Conservation and Restoration of Historical Structures and Monuments

Doctorate Program Coordinator:

Dr Christos Anastasiou

Email: c.anastasiou@frederick.ac.cy

Deadline for submission of applications: September 15th, 2023

Admission Criteria

Eligible applicants must hold a relevant Master's degree. The PhD Program is based on the European Credit Transfer and Accumulation System (ECTS). The award of the PhD degree requires the completion of 180 ECTS. Very good knowledge of English is required of all candidates.

For more information visit the University's Web site ([HERE](#)).

Application Procedure

Prospective students must apply, through the University's Admissions Office, by **September 15th, 2023**.

The application material must include the following items:

- A **cover letter**, addressed to the Doctoral Program Committee of the Department of Civil Engineering, clearly stating the graduate degree the candidate wishes to apply for.
- A completed **application form**, which can be obtained from either the University's Admissions Office or electronically ([HERE](#)).
- A **Curriculum Vitae** indicating the candidate's education, academic and research experience, pertinent professional experience, any publications, awards, etc.
- A short **statement** (maximum of 600 words) stating the reason the candidate wishes to join the Program, the candidate's professional and research experience and future goals.
 - The statement should clearly state the broad research area that the student is interested in. The stated area should be within the listed areas of interest in the current call.
- Two **letters of recommendation** from academic advisors and/or professional supervisors.
- Copies of up to three **representative publications**, if any.
- Copies of all **degrees and transcripts**.
- Copies of any other **supporting material**, such as certificates, or awards.
- **Proof of English language proficiency**, such as TOEFL or IELTS.
 - Candidates who have completed an undergraduate or graduate program of which the instruction language was English, satisfy the proof of English language proficiency requirement.
- The application material submitted must be in English.

Candidates who meet all the admission criteria may be invited to interview.

Tuition Fees

Tuition fees and program-specific scholarships are published on the Frederick University website ([HERE](#)). Further special tuition waiver, leading up to 90% tuition funding, is also available.
